## Message from the Chair

It was great to see everyone at the Spring Institute this year. We have the Annual Business Meeting just around the corner in July. I hope everyone can make time to come to this year's ABM. July 17-19 we will be in Prescott at the Prescott Resort and Conference Center where we just had the Spring Institute. AZBO's new Executive Secretary should be in place to make everything run smooth and it would be a great time to meet him.

This year's ABM's schedule will be:

### July 17

- Golf Tournament at Stoneridge Golf Course in Prescott Valley

### July 18

- Breakfast
- Class on 2018 IPC Venting Requirements
- Lunch
- Class on 2018 Pool and Spa Code (ISPSC)
- Dinner and Awards

### July 19

- Breakfast
- Annual Business Meeting
- Lunch

All but the annual Golf Tournament is included in the \$150.00 registration fee.

Also, Brown & Associates have told us that, once again, they are going to host a "Speakeasy" party for members and guests attending. It will be on Tuesday night at the Point Bar and Lounge. (See flyer on Page 7.)

This should be a great 3 days of fun, training and business for all in the cool pines of Prescott. I hope to see you there!

**Mike Baxley**, AZBO Chair

Spring Education Institute  
April 20 thru May 4, 2018 ~ Prescott, AZ

Dear Students,

I would like to say Thank You for making the Spring Institute in Prescott such a huge success. As our first education institute without a registrar we had some challenges but the committee members made it happen. We finished with over 400 students and 786 student days. We also appreciate your patience with the electronic certificates. Our first attempt to implement the electronic certificates ended with blowing up the email system 100 certificates into the process. The second ended with our server security shutting us down about halfway through. Who knew sending over 400 emails at once would get us shut down by the internet police. So we resent them all manually. If you have not received your certification please let me now at [registrar@azbo.us](mailto:registrar@azbo.us). Again our apologies for the delays. We are going to run the program again to make sure we have resolved all the issues. You will receive an email with another certificate on Friday June 22<sup>nd</sup>. You may use either certificate both are valid. If you have suggestions on how we can make the institutes better, Please let myself or any committee member know.

Thank You on behalf of the Education Committee, Co-chair **Cindy Session** and myself.

Sincerely **Mike Baker**

## State Wide Food Drive May 2018

**5,523** pounds/items have been reported by 15 jurisdictions/companies who have reported in. Although the Food Drive officially ended May 31<sup>st</sup>, ***if you participated and haven't reported,*** please contact [patti@brownandassociates.net](mailto:patti@brownandassociates.net) with your totals so we can add it to the Public Relations Committee's State Wide Challenge. Winning Chapter will be announced at the AZBO ABM. Who will receive the GOLDEN HAMMER AWARD?

Starting off the Photo Scroll with **City of Yuma** who went the extra mile by paying it forward. After they collected contributions, they volunteered at their local distribution center, Yuma Community Food Bank.

## Arizona Permit Tech Committee

June 7, 2018 Sharon Bonesteel, SRP, presented Plan Review for Permit Techs. She customized the presentation for the Permit Tech Committee. The full day training focused on the prescribed Tables in the Code book including sizing charts. She also included understanding basics of structural elements.

Sharon and SRP provided meeting room space, food and beverages (served on recyclable dishes and biodegradable utensils!), door prizes, plus EVERYONE in attendance received the 2018 IRC! Thank you Sharon and SRP!

The Meeting Minutes will be distributed shortly with more details of the presentation.
